Rowan College of New Jersey

Glassboro, New Jersey

THE IMAGE Volume 26

Image is Everything...

Changes were seen everywhere around Rowan this year. The largest freshman class ever came in, the Class of 2000. New faces and fresh spirits popped up all over the campus. The Class of 1997 shared the Brown and Gold tradition. The tradition was here long before we came and will be here long after we leave. Rowan is blooming, University status is in the future and many more changes are in the making ...STAY TUNED!!

Rowan College... Stay Tuned Homecoming 1996

The Homecoming Pageant, "Rowan Most Wanted," allowed our finest to strut their stuff and show their school spirit. Organized by the Junior class and hosted by the Senior class, the contestants were interviewed by a panel of judges followed by competition in business wear, casual wear and formal wear. Judges looked for the two stu-

dents who were most well rounded, had a GPA of at least a 2.75 and had a positive vision for the future of Rowan.

The Homecoming King and Queen crowned at the end of the evening were Dan McGinnis and Tiffany Harris. First runners up were Kate Backenson and Christopher Demaise. Second runners up were Julissa Marenco and David Gentile.

Happy Days...

This year's Homecoming Pep Rally was filled with enthusiasm and zeal. Athletic Director, Joy Reighn, gave a the fall athletic teams a good luck and appreciation speech for the the season to come. Head Football Coach, K.C.

Keeler, gave a heartfelt thanks to all the fans and affirmed that there would be a victory over Cortland State. The Rowan Cheerleaders, lead by Coach Glen Kingsbury entertained the crowd with cheers and routines.

Surfing the Channels at Rowan...

The rainy weather didn't dampen the spirits of the Rowan community as hundreds of faculty, students, alumni and families gathered for the float competition Saturday morning. Many students did not sleep between Friday night and the end of the parade on Saturday. Rowan was honored to have Robin Reiger, reporter for News Three, as the grand marshal.

The float competition was lead off by the non-greek winners, Campus Players, with their rendition of "Gilligan's Island." Delta Kappa Epsilon and Phi Sigma Sigma won the greek competition with their "Sesame Street" float.

Rowan Bowl '96...

On October 19, 1996, the football team defeated Cortland State, 47-17 in the homecoming game. Quarterback Greg Lister led the way for the Profs, completing 11 of 17 passes for 243 yards and three touchdowns. Receiver William Spearman had a touchdown reception of eight and 56 yards, while tight end Jason Dorsey

hauled in a 58-yard touchdown pass. Running back Jyi Peterson led Rowan with 108 yards rushing 16 carries and one touchdown. Running backs Andrew Hyde and Aaron Bosco each had two-yard touchdown runs. Shannon Green scored on a 62-yard punt return.

Preseason Madness 1996

Fans of the Rowan men's and women's basketball teams were in for a treat when Basketball Madness returned to the Esby Gym. It featured numerous scrimmages, fan contests and the unveiling of the 1996 NCAA Division III Championship banner won by last year's men's team.

The night began with a challenge game between SGA and President James and the administration who won

30-18, followed by a student free-throw contest. The basketball teams were then introduced and then took place in a three-point shooting contest. Afterward, they played a co-ed scrimmage in which the brown team beat the gold team. Acclamades were given to the teams for their outstanding 1995 seasons, the women going to the "Elite Eight" and the men bringing home the NCAA Division III Championship title.

Spooktacular SCEC Dance ...

The guys and ghouls came out for the Students Council for Exceptional Children (SCEC) annual Halloween party in the Student Center ballroom. Donning costumes, members of SCEC and other members of SGA

chartered organizations danced throughout the night. Both the Rowan community and the patients of the visiting facilities, enjoyed the night, taking away from it fun and a 20 year tradition at Rowan.

It's All in the Image...

Images of Change...

Changes were seen everywhere. New Buildings were constructed to improve facilities and existing areas were refurbished. The student body grew along with these changes, improving the Rowan image.

The Profs' schedule included opponents from all divisions and a full slate of NJAC games against some of the nation's top ranked teams. Third baseman Tim Huckel garnered All-Conference second team honors while Greg Trotter was named the conference's Fireman of the Year.

The team really came on strong in the season and made a great run in the NCAA playoffs. I think the progress we made put this team in the right direction for the future." Head coach Juan Ranero

Softball

The softball team received its 10th bid and fifth straight to the NCAA Division III Championship Tournament in 1996. The Profs finished the season with a 32-9 overall record and competed in the conference tournament. Rowan was ranked nationally the entire season.

Third baseman Michelle Andre was a member of the All-American second team and pitcher Melissa Maxwell was on the third team.

"We had a very good year both as a team and in terms of individual player accomplishments. Nobody really gave us a chance to perform at such a high level, but with the great talent we had, the team was able to play very well against tough competition."

Coach Bill Mulvihill

Men's Track & Field

The men's track and field team has won 21 out of the last 22 NJAC Championship, winning the title last season for the second straight season. Ho Ho Ho... Project Santa 1996

Project Santa, the annual weeklong fundraiser sponsored by the Student Government Association, raised over \$4,500 to benefit PASA, People Against Spouse Abuse, a Gloucester County charity, in honor of Rowan student Cindy Nanny, who was killed in August 1996 by a former boyfriend.

The week began with a special tree-lighting ceremony performed by the College Choir. Throughout the four day event, money was also raised by having your picture taken with Santa

and his little elves. The biggest fundraiser of the week was the Thirtieth Annual Project Santa Celebrity Auction, held in the Student Center Ballroom. The event, which auctioned off nearly 100 items, raised the most money for this year's charity.

Project Santa was headed by Special Events Director Kim Kiehner and Sophomore Class President Herb Mitchele. The money raised surely speaks of the generosity and compassion found among the Rowan community.

Beyond the Books...

The ABC's of Communication...

"Sunny days, sweeping the clouds away, on my way to where the air is clean. Can you tell me how to get, how to get to Sesame Street?" This song is more than a memory from our childhood days watching Sesame Street, but an ideal in a way of what our lives would follow. Sesame Street was our stepping stone to get to college. Dr. Loretta Long, known to the world as "Susan" on Sesame Street was the keynote speaker at the Convocation and School of Communication Celebration

this past fall.

Following the Convocation was a ribbon cutting ceremony at Bozorth Hall, commemorating the official opening of the School of Communication. Dean Libro invited the entire College community to participate in the history-making event. Dr. Long proclaimed, "You guys are so blessed to be with people who will nurture your creativity. You've all got some great ground to start." The Rowan spirit was overwhelming that day and will carry on throughout the years to follow.

"The convocation captured the whole spirit. I think the new school and our students have so much to look forward to" - Executive Vice President Carol Matteson

Rowan's Pride 2000 ...

"This is the day when we finally opened our doors to the first engineers of the 21st century. From where I stand, this is the first day of the 21st century," said President James in regards to the ground breaking for the Henry M. Rowan Hall of Engineering.

It was in the Spring of 1993 that Henry Rowan gave over a \$100 million endowment to Glassboro State College planting the seed for the engineering school to be erected. In turn, GSC became Rowan College and laun-

ched a new image and feeling for the entire college community.

Four years later, the Fall of 1996, gave Rowan its first engineering class, PRIDE 2000. These 150 students were among the elite to receive a guaranteed four-year scholarship here. The PRIDE 2000 project is a partnership between Rowan College, soon to be Rowan University, and over 30 international corporations and local firms, who have come together to insure the region's first engineering school.

Leaving a Lasting Image ...

Farewell

Do you remember the first day of your young elementary school career?

Those were the days.

Your biggest worries dealt with what Mom had packed you for lunch, who you were going to trade it with, and what were you going to get in return.

Do you remember the first day of your middle school years?

Those were the days.

This is where you took your first beginning baby steps towards your own individuality.

This is where you recognized your different interests.

Do you remember the first day of your high school existence?

Those were the days.

Nothing remained as it was in years before.

Different friends, different goals, different directions.

Everything done in those years cemented a beginning foundation to the structure that would later become the building blocks of your future.

Do you remember the first day of your college life?

Those were the days.

A whole new environment and a whole new experience to be shared with a whole new group of people.

During those years you forged lasting friendships and unbreakable bonds that will last a life time.

The things that you experienced during those times are memories which will last forever.

This is the final stage in which the structure of your life must go through before it enters into a whole new world.

A world in which you have been preparing yourself for your whole life.

Grasp hold of the future that lies ahead of you and always feel grateful for the opportunities you have received.

Always cherish the memories and the friendships, the past as well as the future, and always cherish the experience because

These are the days.
